VII. Student Board Member Update----Kade Gambill stated his report was submitted in the board packet. Kade recognized Mr. Thomas and the Drama Club. The play was really good, and they did a great job.

VIII. Transformation Leadership Coordinator's Report ---Mrs. Linda Brissenden stated her report was submitted in the board packet. Mrs. Brissenden recognized Matt Dannaman and Nikki Brubaker for helping out with the SIG grant proposal. It's been a team effort. Mrs. Brissenden said this year's Graduation is a very special one. These kids were freshman when the SIG group started. She wishes them the best of luck, and looks for great things to come from them.

IX. Principals' Report---Mrs. Annie Gray stated her report was submitted in the board packet. Mrs. Gray recognized Kade Gambill was elected to be the Section 21 FFA President out of 15 High Schools. It's a huge honor. Mrs. Gray said the

school had a visitor from CEC here for the Community Forum and she complimented our school on how nice our building looked, and how clean it was.

Mrs. Benjamin recognized the elementary custodian, Mr. Buddy Pennington, for his hard work. She stated they had a lock down drill, and a door that the police were able to open ended up having an issue with the lock itself and Buddy worked and worked on it until it was fixed.

Mrs. Benjamin recognized the newest member of the family and extended Congratulations to Mr. Adam Hanks. His wife gave birth to a baby girl.

- X. Superintendent's Report---Dr. Jennifer Garrison stated this is actually good news. For the first time since January of 2010, She doesn't have a State owes report. They are caught up with their payments. But remember they did do a 2.25% across the board funding cut. We lost about \$ 15,000 dollars through the Hold Harmless calculations.

As for the room set up, we are changing and trying to reorganize. Mr. Michael is working on removing the items behinds us and will be going through his area and redesigning his space to actually make two separate areas for isolation and privacy.

We have a parking lot estimate from Wayne Carter at \$ 19,108.00. This total doesn't include the lighting/electric.

The Head Bus Driver position is posted and closes on Wednesday, May 20th. We will be hiring that Head Bus Driver and then we will need to hire bus drivers. That process will start in the next 1-2 weeks.

Mr. Kade Gambill has served as our student board member for 2 years, and now it's time to start recruiting other students to the board. We would like by the September board meeting to have somebody in place. We are looking at an upper classman, Junior or Senior.

Dr. Garrison said before we realized we were eligible for a School Improvement Grant (SIG) again, the Math and Science departments have been interested in pursuing options. Therefore we started to look for other grant opportunities. One was through the Consortium for Educational Change and working with the North Carolina New Schools. In the meantime, we found out we were eligible for a SIG, but we want to keep the conversation going with North Carolina New Schools. North Carolina New Schools has created innovative high schools, and they have data to support their research. North Carolina and Illinois are very different when it comes to the State polices and funding. They have invited Dr. John Raymer as the SCIGA representative and I (Dr. Garrison) to their conference, all expenses paid. It keeps our doors open to pursue other outside grant sources. The conference is June 22-25, 2015.

The June Board Meeting will be June 15th, 2015. This is a change from June 22nd.
